## Safeguarding Statement – Community Coaches - 01/09/18

Dorking RFC is committed to safeguarding the welfare of children in the sport. All children are entitled to protection from harm and have the right to take part in sport in a safe, positive and enjoyable environment.

Rugby's core values of teamwork, respect, enjoyment, discipline and sportsmanship are attributes that we all want to impart. Our hope is that every one children meet within our sport can act as a positive role model. As children develop qualities and skills like confidence, commitment and concern for others they become potential leaders for the future.
